

Russia! Karelia! Petrozavodsk!

If you are going to study in Russia and are interested in Russian culture, history and language – Welcome to Petrozavodsk State University and beautiful Karelia!

Get to know a different culture, cite famous Russian authors and read them in the original, be aware of the latest scientific discoveries and inventions, travel the biggest country in the world or even start your business in Russia - these are just a few reasons to learn the Russian language.

Whether you are a complete beginner, intermediate or advanced learner, Russian language courses at PetrSU is a good place to master your skills.

What we offer:

- study individually or in a group
- programs for beginners, intermediate and advanced students
- flexible schedule, adaptive to your personal needs
- ability to take a TORFL test at the end of your studies and get a certificate

Why Petrozavodsk?

Petrozavodsk is a beautiful city on the shores of the Onega lake. Being the capital of Karelian Republic it has everything that a capital can offer: theaters, museums, exhibitions, concerts, clubs, and beautiful architecture. Yet, with a population of 250.000, it manages to maintain a quiet and peaceful life. Meet the locals, try national cuisine, enjoy Russian winter and beautiful northern nature and experience famous Russian hospitality - all in one place!
